[pr. adv. \$5 62.] VALUABLE PLANTATION AND OTHER LANDS FOR SALE.

In accordance with the will of the late Samuel C. Eborn, the Subscribers offer for Sale that Large and Valuable Farm, situated in the lower part of Beaufort County, on which said deceased lived and died. It is well known as the former residence of Hon. Henry S. Clark, and as one of the finest Farms in the State. It contains EIGHT HUN-DRED ACRES OF LAND, Five Hunared Acres of which are Cleared and in good farmer-like order. Of the Cleared Land, about One Hundred Acres are what is denominated good Upland, suitable to Cotton, Ground Peas and Cow Peas, Sweet and Irish Potatoes, Turnips and Root Crops in general, Wheat, Oats, Beans, Horticulture and Fruit. The remaining Four Hundred Acres of Cleared Land is rich Swamp Land, well drained, recently cleared, and under a fine state of cultivation. There is no better Corn Land in the State, and it is easily cultivated. We believe that in natural fertility of soil, durability, and in number of bushels of grain produced by the acre, this land will not suffer in comparison with any in the State. The splendid crop now upon it justines, in our opinion, this assertion. City of Superior. That which was rumor and mere belief two years ago is now looming up on the public eye and public mind as a great fact. A city of surprising advantages and inevitable greatness must grow up at the head of Lake Superior. Two years ago the first trees were elled, and the first log-huts built on the present site of Superior. Now a town of 1,200 inhabitants, busy merchants and mechanics, exists there. Two years ago the land there was had by squatters at \$1 25 per acre. Now the site of Superior, as laid off into lots and blocks, sells at prices that indicate a value of over \$2,000,000 for the whole! Last summer squatters' claims were made in sight of Superior.
